Plan of Reorganization for Small Business Under Chapter 11

02/20

Jack Robert Thacker, Jr. Plan of Reorganization, Dated June 3, 2025

[If this plan is for a small business debtor under Subchapter V, 11 U.S.C. § 1190 requires that it include "(A) a brief history of the business operations of the debtor; (B) a liquidation analysis; and (C) projections with respect to the ability of the debtor to make payments under the proposed plan of reorganization." The Background section below may be used for that purpose. Otherwise, the Background section can be deleted from the form, and the Plan can start with "Article 1: Summary"]

Background for Cases Filed Under Subchapter V

A. Description and History of the Debtor's Business

The Debtor is an individual. The Debtor was a financial advisor and the principal of Center Street Advisors, Inc. and Center Street Securities, Inc., which were sold in 2021 to Arete Wealth, Inc. Debtor worked as a financial advisor for Arete Wealth, Inc. until September 20, 2023. Debtor worked at Realta Equities until November 14, 2024. Debtor was unemployed on the March 6, 2025 Petition filing date.

B. Liquidation Analysis

To confirm the Plan, the Court must find that all creditors and equity interest holders who do not accept the Plan will receive at least as much under the Plan as such claim and equity interest holders would receive in a chapter 7 liquidation. A liquidation analysis is attached to the Plan as Exhibit A.

C. Ability to make future plan payments and operate without further reorganization

The Plan is a liquidation Plan.

The final Plan payment is expected to be paid within thirty (30) days after resolution of the estate's claims against Arete Shield, LLC and Arete Wealth, LLC and any recovery thereon.

You should consult with your accountant or other financial advisor if you have any questions pertaining to these projections.

Article 1: Summary

This Plan of Reorganization (the *Plan*) under chapter 11 of the Bankruptcy Code (the *Code*) proposes to pay creditors of Jack Robert Thacker, Jr. (the *Debtor*) from sale of assets and recovery, if any, from Arete Shield, LLC and Arete Wealth, LLC.

This Plan provides for:

- 1 class of priority claims;
- 2 classes of secured claims;
- 2 classes of non-priority unsecured claims; and
- 1 class for the interests of the individual Debtor.

Non-priority unsecured creditors holding allowed Class 3 claims will receive distributions, which the proponent of this Plan believes will be not less than twenty-seven (27) cents on the dollar plus the unknown value of the estate's illiquid investments, if timely filed claims are allowed in the amounts filed. Non-priority unsecured creditors in Class 3.1 who did not timely file a Proof of Claim will not receive any distribution, unless Class 3 claims are paid in full with interest. This Plan also provides for the payment of administrative and priority claims.

All creditors should refer to Articles 3 and 4 of this Plan for information regarding the precise treatment of their claim.

Your rights may be affected. You should read these papers carefully and discuss them with your attorney, if you have one. (If you do not have an attorney, you may wish to consult one.)

The Debtor will not be discharged from any debt:

- (i) on which the last payment is due after the first 3 years of the plan, or as otherwise provided in § 1192; or
- (ii) excepted from discharge under § 523(a) of the Code, except as provided in Rule 4007(c) of the Federal Rules of Bankruptcy Procedure.

Article 10: Other Provisions

10.01 Continued Reporting Requirements. Pursuant to Fed. R. Bank. P. 2015, the Debtor is required to file monthly operating reports until Confirmation. After Confirmation, if the Plan is confirmed under § 1191(b), the Debtor shall file quarterly reports until the case is closed, dismissed, converted to another chapter of the Code, or a final decree is entered by the Court.

10.02 Modification of the Plan. The Debtor may propose amendments or modifications of this Plan at any time prior to Confirmation without leave of the Court. After Confirmation, the Debtor, with approval of the Court, and so long as it does not materially or adversely affect the interests of creditors, may remedy any defect or omission, or reconcile any inconsistencies in the Plan or in the order of confirmation in such a manner as may be necessary to carry out the purposes and effect of this Plan. The foregoing provisions of this paragraph do not limit the ability of the Debtor to modify the Plan under § 1193 and applicable rules.

10.03 Notice. Unless otherwise directed by the Debtor in writing, notice shall be sufficient if delivered as follows:

If to the Debtor or Reorganized Debtor: J.R. Thacker, Jr.

If to the Trustee; M. Aaron Spencer
P. O. Box 900

10.04 Vesting of Property. All property of the Debtor's estate shall vest in the Debtor upon completion of the Plan payments.

Debtor Name Jack Robert Thacker, Jr.

Case number 2:25-bk-50237-RRM

10.05 Legal Binding Effect. The provisions under the Plan shall bind all claimants, whether or not they accept this Plan or whether or not their claim is impaired.

10.06 Distribution to Claimants. All distributions under the Plan shall be made by the Debtor, whether the Plan is confirmed pursuant to Section 1191(a) or (b) of the Bankruptcy Code. The Debtor shall file with the Court as a supplement to the Plan and provide notice to all creditors at or before confirmation a list of all of the creditors who will be receiving payments under the Plan and the total amount projected to be paid to each creditor under the Plan. The initial payment to holders of allowed claims in Class 3.1 shall be made 30 days after the Effective Date and every 90 days thereafter for the term of this Plan.

The following provisions shall govern distributions under the Plan:

a. All payments under the Plan shall be made by the Debtor to the holder of each allowed claim at the address of such holder as listed on the Schedules, or if different, the Proof of Claim, unless the Debtor has been notified in writing of a change of address.

b. Any payment required to be made under the Plan on a day other than a business day shall be made on the next succeeding business day.

c. *De minimis* Distributions less than five dollars (\$5.00) shall not be made, and shall become unclaimed funds, which shall vest in the reorganized Debtor.

d. Holders of allowed claims shall not be permitted to amend or otherwise modify any claim after the later of the claims bar date or the confirmation date without leave of the Bankruptcy Court. Any amendment to a claim filed after the confirmation date shall be deemed disallowed in full and expunged without any action by Debtor unless the claimholder has obtained Court authorization for the filing of such amendment. The Debtor shall have no obligation to recognize any transfer of any claim after distributions have started.

e. Unless expressly provided in the Plan, or confirmation order, post-petition interest and fees shall not accrue on or after the Petition Date on account of any claim.

f. Unclaimed distributions shall be administered pursuant to Section 347 of the Bankruptcy Code.

10.07 Default Remedies. If the Debtor does not make the payments provided for under the Plan as and when due, the Debtor will be in default under the Plan ("Default"). After the occurrence of a Default, any creditor may send written notice to the Debtor, with a copy to Debtor's attorney and the Subchapter V Trustee, that the Debtor is in Default under the Plan ("Default Notice"). For payments to general unsecured creditors, the Debtor will be entitled to a 45-day grace period after the transmission of the Default Notice ("Grace Period") to cure the Default. If the Debtor has not cured the Default within the Grace Period, the creditor is entitled to pursue its rights in the Bankruptcy Court for the Eastern District of Tennessee or to commence a lawsuit to liquidate its claim in the Circuit Court or the Chancery Court in Sullivan County, Tennessee.

10.08 Subchapter V Trustee.

1. Service of Trustee. The service of the trustee appointed under Subchapter V of Chapter 11 (the "Subchapter V Trustee") shall terminate in accordance with Section 1183(c) of Title 11. In a consensual case, such service shall terminate when the Plan has been substantially consummated. In a nonconsensual case, the Subchapter V Trustee shall continue to monitor the Debtor's compliance with the Plan. If the Debtor fails to timely make any plan payment to creditors, the Subchapter V Trustee may file and serve a notice of delinquency upon the Debtor and the Debtor's attorney. The Debtor shall have 45 days from the date of the notice of delinquency to make all payments due under the Plan, including any payments that become due within the 45-day period. If the Debtor is seeking to cure the delinquency in a modified plan, the Debtor must file a motion to modify the confirmed plan within 45 days of the notice of delinquency. If the Debtor is not current with Plan payments on the 45th day after the date of the notice of delinquency or has not filed a motion to modify within the time period, the Trustee may file and serve a report of non-compliance and may thereafter seek the dismissal or conversion of the case to Chapter 7.

2. Compensation. Under Section 330 of the Bankruptcy Code, the Subchapter V Trustee shall be compensated for services and reimbursed for expenses. However, the method of payment of the Subchapter V Trustee compensation depends on the provision under which the Plan is confirmed and the method of disbursement to creditors under the Plan:

Debtor Name Jack Robert Thacker, Jr.

Case number 2:25-bk-50237-RRM

a. The Subchapter V Trustee's total compensation is estimated to be \$15,000.00 through confirmation. The Subchapter V Trustee will apply to the Court for an award of compensation through the application process that is used by professionals. The Subchapter V Trustee will file a final fee application for compensation to be heard with the other final fee applications in the case.

b. If the Plan is confirmed on a consensual basis under Section 1191(a) of Title 11, the service of the Subchapter V Trustee terminates with substantial consummation of the Plan under Section 1183(c)(1). The Subchapter V Trustee's allowed compensation, as with other administrative expenses, is payable on the Effective Date of the Plan, unless the Subchapter V Trustee agrees to different treatment.

c. If the Plan is confirmed on a non-consensual basis under Section 1191(b) of Title 11, then the Subchapter V Trustee will remain in place throughout the life of the Plan, and the Subchapter V Trustee may be entitled to additional compensation for services provided after confirmation. The fee for the Subchapter V Trustee to monitor the plan payments made by Debtor shall be \$500 on a semi-annual basis. The Subchapter V Trustee may file additional or supplemental fee applications throughout the life of the Plan. Upon approval of the Subchapter V Trustee's fee applications in a non-consensual case, as long as all professional administrative claims are similarly treated in the Plan, the Debtor shall pay all fee amounts due to the Subchapter V Trustee on the Effective Date of the Plan, over the remaining life of the Plan, or forthwith.

3. United States Trustee. The United States Trustee is not bound by any of the provisions in Section 10.07 or 10.08 and may exercise all available remedies for non-compliance with the Bankruptcy Code without any cure or notice period.

10.9 Request for "Cram Down" of Non-Accepting Classes. The Debtor requests that the Court confirm the Plan notwithstanding the failure of classes to vote to accept the Plan. Even if one or more impaired classes reject the Plan, the Court may nonetheless confirm the Plan if the non-accepting classes are treated in a manner prescribed by Section 1191 of the Code. A Plan that binds non-accepting classes is commonly referred to as a "cram down" Plan. The Code allows the Plan to bind non-accepting classes of claims or equity interests if it meets all the requirements for consensual confirmation except the requirements of Section 1129(a)(8), 1129(a)(10), or 1129(a)(15) of the Code, does not "discriminate unfairly," and is "fair and equitable" toward each impaired class that has not voted to accept the Plan under the standard of Section 1191(c) of the Code. **Creditors concerned with how the cram down provisions will affect their claim or equity interest should seek independent counsel as the variations on this general rule are numerous and complex.** The Debtor is not required to file a motion or other pleading to seek and obtain cram down on a Plan. As a result, the Debtor will seek the Court's confirmation of this Plan in accordance with the cram down provisions of the Bankruptcy Code by oral motion at the date and time of the confirmation hearing without further notice to creditors or other parties in interest.

Respectfully submitted,

(x) To determine such other matters that may be set forth in the Plan, or the Confirmation Order, or that may arise in connection with the Plan, or the Confirmation Order;

(xi) To hear and determine matters concerning state, local and federal taxes, fines, penalties or additions to taxes for which the Reorganized Debtor, the Debtor, or the Debtor in Possession, may be liable, directly or indirectly, in accordance with §§ 346, 505 and 1146 of the Code;

The Secured claim is the claim of United Southeast Federal Credit Union, which has a security interest in the Debtor's deposit account and is permitted to set off its claim, pursuant to the Agreed Order (Doc 106) entered on May 15, 2025.

Debtor scheduled First Horizon with a \$516,000.00 claim secured by 4332 Pretoria Run, which was sold pursuant to the Amended Agreed Order Granting Motion to Sell (Doc 55). The Subchapter V Trustee is holding the \$513,095.65 surplus proceeds after payment of the First Horizon secured claim and closing costs and \$14,187.17 paid by Erie Insurance, for a total of \$527,282.82.

The claims total is increased by the following claims scheduled by the Debtor, but not scheduled as contingent or disputed or unliquidated.

<u>Claimant</u>	<u>Amount</u>
Joy Necessary ¹	\$ 90,000.00
Barclay Bank Mastercard	\$ 7,864.00

¹ Joy Necessary's \$90,000 claim is a domestic support obligation entitled to first priority under 11 U.S.C. §507(a)

As of May 30, 2025, the balance in the Debtor-In-Possession account is \$304,006.86. These funds are from Assets identified in the chart above as "Deposits of Money." The sum of the funds in the Debtor-In-Possession account and the 4332 Pretoria Run surplus proceeds and the Erie Insurance payment, both held by the Subchapter V Trustee, is \$831,289.68.

The non-exempt other Assets and current value of the Debtor's Interests, excluding 2261 Bullock Hollow Road (jointly owned by the Debtor and his parents with right of survivorship), on Schedule A/B with a known value are:

951 Cumberland – Washington County, Virginia		\$ 200,000.00
Vehicle – 2021 Sierra GMC		\$ 34,800.00
Vehicle – 2012 Porsche Panamera		\$ 11,300.00
Vehicle – 2017 Maserati Levante		\$ 17,050.00
Watercraft – 2011 Hyde Aluminum Row Boat		\$ 2,000.00
Cash on hand		\$620.00
Utility Deposit – Murfreesboro Utility District		\$ 100.00
Credit – Citibank Mastercard		\$ 487.00
Copyright - book self-published in 2012 – no sales last 10 yrs		\$ 0.00
Tax Refunds – Carry forward est. overpayment 2023		\$ 38,473.00
Erie Insurance for roof damage		\$14,181.17 (Erie payment was forwarded to the Subchapter V Trustee)

Debtor expects to employ an auctioneer to sell the 2012 Porsche Panamera and the 2017 Maserati.

If timely filed claims are allowed in the amount filed, the total for allowed general unsecured claims is \$3,512,932.36.

The sale of the non-exempt property of the estate (other than carry forward estimated federal tax overpayment and the Debtor's survivorship interest in 2261 Bullock Hollow Road) for values assigned by the Debtor, would generate \$266,357.00, less sale expenses. The sum of \$266,357.00 and \$831,289.68 is \$1,097,646.68. Deducting \$90,000.00 for the priority DSO claim leaves \$1,007,646.68.

If timely filed claims are allowed in the amount filed, not considering administrative costs and expenses, the dividend would be approximately 29¢ on the dollar, plus any amount realized from the illiquid investments. Considering only a Chapter 7 Trustee commission (\$56,179), the dividend would be reduced to 27¢ on the dollar.
